HOLLYWOOD DIRECTOR

TOM LOGAN RETURNS TO PHOENIX

ON CAMERA AUDITIONING FOR T.V.
COMMERCIAL AND FILM

Advanced

11 years – Adult Workshop

This workshop is for adults who have previously taken the Tom Logan beginning workshop, have experienced training, or been instructed to attend by Terri Hoffmann. Don't miss your chance to work with this award winning director. Beginning with an interactive study of the business of "the business", Tom will cover the audition process - before, during and after. Learn what goes on behind closed doors with directors, casting directors, and producers. You will learn the do's and don'ts of auditions, the proper tools needed to win an audition, and how to lose one because of a bad slate or other poor choices that actors mistakenly believe are helping them. Each actor will also be put on camera for one & two party commercials followed by feedback. Finally, the last portion of the workshop will be dedicated to television scenes, soap operas, and the handling of props. This is an excellent opportunity for models who want to make the transition to the highly lucrative commercial and film venues.
