This interactive study will cover the audition process: before, during, and after. Discover how to make yourself stand out to the casting directors, directors, and producers. Learn the do's and don'ts of auditions. Learn about the tools you need to win an audition or how to lose one because of a bad slate or other poor choices (based on the children's ages.) Tom then covers on-camera work using T.V. and commercial scripts. Tom encourages the parents to attend the last 45 minutes of each class for a question/answer session and the children's progress is viewed on video. Tom will give me his input as to which of the children are ready for representation in L.A..THIS IS NOT A GUARANTEE OF PLACEMENT WITH ANY AGENCY OUT OUTSIDE OF ARIZONA.
